Tim,

TD #0001 for the **Canadian Radium Site** was issued by the CO on January 3, 2020. For clarity of expectation purposes, the Program anticipates the tasks listed in the TD to be undertaken for a cost of no more than **\$6,645.87**. EPA would like to be notified via email (to the OSC, with copies to Mark Pane, Michelle Tabayoyong and Bonnie Hriczko), if Weston expects to exceed those costs within the following 5 days.
